## McLAREN GAMES KEEN

BATTLEFORD.—The first round of the McLaren Cup competition was played off Wednesday evening at the curling rink. This competition is always keen and the cup is much envied. The mercantile bonspiel which has been played during the past week furnished some exciting games, and great enthusiasm was aroused. The Lawyers' rink, composed of Messrs Atkinson, Sparling, Mighton and Clink, were successful in winning the turkeys (first prize), whilst the chickens (second prize) went to The Galvin Lumber Yards rink, composed of Messrs. Callahan, Wayman, Saunders and Kennedy. Twelve rinks are now being formed to meet the North Battleford Curling Club in the annual New Year's competition for the Brown Cup.
