

Twin Rivers Curling Assistance Fund

Established in 2021 to enhance equipment and programming at Twin Rivers Curling Club, funds are raised through the National Sport Trust Fund. Funds will be used for various purposes at Twin Rivers such as equipment for Junior curling, projects to reduce energy consumption, projects to reduce entry level barriers to participation and projects to enhance the overall curler experience.

Donations to the Fund can be made by curlers **and** non-curlers and are eligible for a tax receipt; receipts are mailed in January. There is no minimum donation required and no time limit to donate. However, donations made earlier allow us to start projects sooner.

Donations can be made on-line or by paper.
